

CAMHS LEADERSHIP

Consultant Psychiatrist

We're looking for a Consultant Psychiatrist to lead psychiatric assessment, diagnosis, and treatment for children and adolescents, providing senior clinical leadership within our CAMHS team.

Dubai Healthcare City • Child & Adolescent Mental Health Clinic

What You'll Do

- 01 Conduct psychiatric assessments, diagnosis, and treatment planning
- 02 Prescribe and monitor psychotropic medication with the wider team
- 03 Lead decision-making on complex and high-risk cases
- 04 Lead on risk assessment, safeguarding, and crisis management
- 05 Supervise junior psychiatrists, trainees, and clinical staff
- 06 Chair multidisciplinary team meetings and case reviews
- 07 Liaise with schools, paediatricians, and external agencies

What We're Looking For

- ✓ Medical degree with specialist training / board certification in Child and Adolescent Psychiatry
- ✓ Holding a valid DHA licence as a Consultant Psychiatrist
- ✓ 5+ years' post-specialisation experience in child and adolescent psychiatry
- ✓ Strong track record in diagnosis, medication management, and risk assessment
- ✓ Experience in clinical leadership and supervision
- ✓ Excellent communication and report-writing skills

Nice to Have

- Subspecialty experience (e.g. neurodevelopmental psychiatry, eating disorders, early intervention)
- Experience in service development, teaching, or research
- Arabic language skills

Interested? Send your CV to zahra@anthalora.co.uk — we'd love to hear from you.
